EDUCATION

Prasad Institute of Technology

Jaunpur, India

Bachelor of Technology in Computer Science and Engineering

2022 – 2026

- Affiliated with Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow.
- Core Focus: Software Engineering, Data Structures & Algorithms, and Full-Stack Web Development.

TECHNICAL SKILLS

Languages: C++, JavaScript (ES6+), SQL, HTML, CSS
Frameworks: React.js, Node.js, Express.js, Redux Toolkit, Tailwind CSS
Tools: Git, GitHub, VS Code, Postman, Clerk (Auth), Vercel, Render
Expertise: DSA, RESTful APIs, UI/UX Design, Algorithm Optimization

FEATURED PROJECTS

AKTU Prep | MERN Stack, Clerk, Tailwind

[\[Live Demo\]](#) [\[GitHub\]](#)

- Developed a massive digital repository for students, hosting over 9GB of academic materials and video lectures.
- Integrated secure authentication using Clerk and optimized material discovery through a semester-based filtering system.
- Built a highly responsive and fluid interface that currently serves a growing community of 500+ active users.

Fixit Marketplace | MERN Stack, Redux, REST API

[\[Live Demo\]](#) [\[GitHub\]](#)

- Engineered a full-stack service marketplace connecting local providers with users through a real-time booking ecosystem.
- Implemented advanced state management with Redux Toolkit to synchronize data seamlessly across the booking dashboard.
- Architected efficient RESTful APIs to handle service requests, tracking, and provider management with high reliability.

Smart Password Generator | JavaScript, CSS3

[\[Live Demo\]](#)

- Designed and optimized a cryptographic utility tool for generating high-entropy secure passwords.
- Focused on performance-centric JavaScript logic and a modern, minimalist UI for superior user accessibility.
- Implemented character strength validation and one-click copy features with intuitive UX feedback.

HONORS & ACHIEVEMENTS

- DSA Proficiency:** Solved 100+ challenges on LeetCode using C++, focusing on time and space complexity optimization.
- Digital Impact:** Successfully deployed AKTU Prep, gaining 500+ active student registrations within the first few months.
